Member of Catalina 22 National Sailing Association

Date: _____

Dear Members and prospective Members,

It's that time of year again. Dues are due for Fleet 47 membership and National membership. Fleet dues are \$15.00 and National dues are \$25.00. Our fleet collects dues for National membership and mails them to the National Secretary/Treasurer. She in turn will send your membership card directly to you.

Those of you who are not members of the National association, I would encourage you to join and enjoy the benefits of the association. You will receive the Main Brace six times yearly and will also receive the Catalina 22 Technical Manual, compliments of Fleet 47.

In order to keep our files up to date, I need the following information completed. Make your check payable to Fleet 47 and mail it along with the completed information.

Please Print Legibly

Name _____ Address _____
