CSB MINISTRIES

AN INTRODUCTION

TOMORROW'S LEADERS, SERVING CHRIST TODAY

When you evaluate spiritual development in your children and youth ministry, where do you begin? Do you look for a strong evangelistic outreach? A concern for solid Bible teaching? What about mentoring youth and training in leadership? George Barna has stated that the most pressing need in tomorrow's churches is to build future leaders today. How would you answer the following observations? Does your church need to launch a ministry that:

- Is people-focused, not program-focused?
- Teaches godly character through relationship-centered mentoring?
- Integrates biblical principles into spiritual, physical, intellectual and social development?
- Complements the other teaching ministries of your church with practical discipleship?
- Promotes deliberate spiritual growth through Christian service and servant-leadership?
- Encourages people to serve God beyond the Sunday service?
- Develops current and future generations of Christian leaders, both men and women, boys and girls?

We are excited that you want to discover how CSB Ministries can serve your church. Battalion, Stockade, Tree Climbers, Tadpoles, and Girls Alive exist to help your church win and train disciples of Jesus Christ by influencing and shaping the lives of men, women, boys and girls who will be leaders in your church and community.

Our balanced attention to both outreach and discipling can help your church move beyond the traditional concept of a program-driven ministry. Our emphasis on holistic spiritual maturity and servant-leadership is found throughout the spectrum of CSB Ministries.

As you take time to get acquainted with this passion shared by hundreds of leaders across North America, you'll discover how CSB Ministries stands ready with decades of experience to partner with your church. Together, we are passionate in equipping the next generation of Christlike leaders. Our home office and field staff stand ready to serve you!

HOW CSB CAN PARTNER WITH YOUR CHURCH TO DEVELOP CHRISTIAN LEADERS

What sets CSB Ministries apart from other club-type programs or discipling ministries?

How can CSB Ministries serve your church?

Simply stated, mentoring and discipling work best in a gender-specific atmosphere where godly men and women model Christlike behavior to boys and girls.

Why are we gender-specific?

Various research studies show that boys and girls are different—not only physically, but mentally and emotionally as well. Gender-specific programs allow mentors to cut through the clutter and chaos of our culture and quickly get to the heart of the issue—a girl's or boy's personal relationship with Jesus Christ.

Since our inception in 1937, CSB Ministries has equipped leaders who share common vision and values:

The Lord Jesus Christ - we recognize lordship of Christ in all aspects of our lives.

The Word of God - we affirm that a strong faith develops from our knowledge of the Scriptures.

The Local Church - we are passionate to see effective ministries based within a caring congregation.

Committed Men and Women - we train leaders as the foundational key for effective ministry to boys and girls.

Boys and Girls - we consider children's total needs—insuring a balance of physical, mental, social and spiritual involvement through engaging activities.

Purposeful Action - we channel activity into constructive means to serve and glorify Christ.

Meaningful Achievement - we provide purpose and goals which help boys and girls mature and develop.

Group Dynamics - we encourage responsibility that comes with participating as a team member.

Leadership Development - we provide training that is directed, controlled and planned so young people can grow in their abilities to carry out responsibility and assume leadership.

Christian Service - we motivate youth to engage in effective, biblical ministry.

These principles, when combined with gender-specific mentoring, comprise a powerful and dynamic ministry. One that will impact the lives of those involved—both children and adults—for years to come.

If these principles appeal to you, read on to discover how CSB Ministries works with you to fulfill this vision.

BATTALION

BOYS AGES 12 - 18

WHERE LEADERSHIP IS LEARNED

The Battalion program for teenage boys, 12 to 18 years old, is an ideal tool for a church to build future Christian leaders. If today's teens are to become tomorrow's leaders, they must be given the opportunity to observe examples of leadership and to test their own leadership abilities. Battalion offers young men of your church this opportunity!

Battalion is specifically designed to give young men an opportunity to be mentored by godly, Christian men. Small group fellowship, personal accountability and leadership development are all part of the weekly Battalion meeting. Through games, group and individual achievement, exciting activities designed

specifically for young men, and application of biblical truths, teenagers develop their character under the discipleship of older Christian men.

The Battalion program is not just about book learning. It involves active servant-leadership on a weekly basis. A successful Battalion gives young men a passion to actively seek ways to serve Jesus Christ.

PROGRAM DISTINCTIVES

- Christian men invest time building life-long relationships with teenage boys.
- Young men are given opportunities to lead alongside older men.
- Young men experience and develop peer-to-peer discipling skills.
- Fellowship and accountability are created between the older and younger men.
- Men of all ages learn the value of discipling and servant-leadership.

STOCKADE

BOYS AGES 8 - 11

MEN REACHING BOYS

One word describes Stockade: excitement. One word describes junior-aged boys: energy. Together, they make a winning weekly program for boys and men!

The Stockade program, for boys ages 8 to 11, combines achievement projects, crafts, games, Bible memory, and group activities with godly men. This unique combination draws men and boys into fellowship, stimulates their love for Jesus Christ and encourages their desire to serve him.

Through Stockade, boys learn to look to Christian men as their guides, counselors and models of Christlike manhood. It is through this unique blending of men, boys and the Stockade program that your church begins to build Christian men.

The hour and a half weekly Stockade meeting involves a healthy dose of games, activities, group and personal achievement, and a constant emphasis on biblical truth through stories and Scripture-learning. Activities outside the weekly meeting are also encouraged.

PROGRAM DISTINCTIVES

- Boys interact with godly men and see Christlike manhood.
- Christian service is integrated into the Stockade program, thereby teaching boys firsthand about serving others.

TADPOLES & TREE CLIMBERS

TADPOLES - AGES 4-5
TREE CLIMBERS - AGES 6-7

FOR DADS AND BOYS TOGETHER

The Tadpoles (4 and 5 year olds) and Tree Climbers (6 and 7 year olds) programs are designed with young fathers in mind. The important feature is the relationships that develop between the fathers and their sons.

The idea is simple. Men and their boys play games, enjoy a simple learning activity and hear a story with a biblical emphasis. Meetings last from one hour (Tadpoles) to an hour and a half (Tree Climbers) and can be held on any night of the week.

These programs are easy to run, require little preparation and encourage the active participation of everyone involved.

These programs are also an excellent outreach for your church. Boys without fathers can be matched up with grandfathers, uncles or carefully-selected, godly men from your church.

PROGRAM DISTINCTIVES

- Enables fathers to spend time building relationships with their pre-school and early primary-aged boys.
- Gives dads the opportunity to read the Bible and pray with their boys.
- Establishes an outreach among non-Christian boys and non-Christian dads. Can also be used effectively with boys without fathers at home.

GIRLS ALIVE!

FOR GIRLS GRADES 1-3 AND GRADES 4-6

Girls Alive! is an exciting and unique program written specifically for girls. The program allows women of faith to come alongside young girls and serve as positive role models in their spiritual development. The relationship that develops between the women who choose to lead and the girls attending the program can affect the life of a young girl for all eternity!

Think of what a privilege it is to work with girls, share your heart and life, and lead them to grow in the Lord. Christian ministry directed at young girls has an overall, supreme goal: reaching and nurturing girls to serve Jesus Christ.

God's goal for all believers is that we become mature Christians (Colossians 1:28) and ultimately people who can lead others to Christ (2 Timothy 2:2).

With that purpose in mind, each weekly meeting has been designed to lead girls to a better understanding of the truths in God's Word.

Each year begins with an emphasis on drawing all girls into the program regardless of their background or faith. The sessions are filled with a variety of activities aimed at building solid relationships not only with their peers, but also with the women who come to each Girls Alive! meeting as their guides and mentors.

PROGRAM DISTINCTIVES

- Christian women invest time building life-long relationships with girls.
- Girls interact with godly women and find Christlike models.
- Girls experience and develop peer-to-peer discipling skills.
- Christian service is integrated into each Girl's Alive! activity, thereby teaching girls first-hand about serving others.
- Girls develop a sense of personal worth and accomplishment in a Christian context.
